

# TOASTMASTERS INTERNATIONAL<sup>®</sup>

Dear Employer,

I am pleased to inform you that Monika von Wietersheim has been recognized as a Distinguished Toastmaster for participation in the Toastmasters International Educational Program.

Distinguished Toastmaster recognition is the greatest honor that our members can earn. To receive the honor, a member must participate in Toastmasters' Communication and Leadership programs and meet other rigorous requirements. Members must conduct several seminar-style programs, serve as a leader at several different organizational levels, form or rebuild a Toastmasters club and complete other challenging tasks. Achieving Distinguished Toastmaster status involves years of study, dedication, self-discipline and active participation in the Toastmasters organization.

By achieving Distinguished Toastmaster recognition, Toastmaster von Wietersheim has developed and sharpened effective communication and leadership skills, and applied these skills in professional and community activities to the benefit of others.

Only a few of the more than 332,000 members of our organization ever achieve this recognition. I know that the remarkable accomplishment of Toastmaster Von Wietersheim will be of special interest to you and your associates.

Sincerely,
